Central Eleven Defeats
Tech In School Classic

HILLTOPPERS ARE WEAKENED ON EVE OF MIDDY BATTLE

By LOUIS A. DOUGHER.

Judging from the work of the varsity against Fordham in New York, Georgetown seems well-nigh certain to meet its first defeat of the season at Annapolis next Saturday when it runs up against Gilmour Dobie's husky Navy eleven.

With the exception of Johnny McQuade and Tommy Whelan, both of whom played first class football against the Maroon, the Hilltoppers' game was sloppy to an extreme. It is especially hard to understand this slump after such a finished performance against V. P. I. here a week ago Saturday.

It is unlikely that any scrimmaging will be done this week in preparation for the battle with the Middles. Johnny Gilroy injured his left arm in the Fordham game and needs a rest. Gross, the fullback, suffered a severe gash on his face, necessitating several stitches. Maloney, Smeach and Ahern were bruised by the fierce attack of the Maroon in the second half of yesterday's game.

Physical Director John D. O'Reilly will devote most of his time this week to fitting the first string men for the Navy game. If Gross and Gilroy are unable to play, the Blue and Gray will be under a great handicap at Annapolis. Both players are absolutely necessary to the success of the team.

Harry Sullivan, star of the baseball nine, is eligible to replace Gross, but he has not been with the eleven more than ten days and for that reason is not as valuable as Gross or Cody, who is nursing a fractured nose.

If Gilroy is compelled to remain on the sidelines, there is none to substitute for him.

THOUGH WINNING, PENN HITS TARTAR IN P. M. C. ELEVEN

PHILADELPHIA, Nov. 7.—Pennsylvania won from Penn Military College, 23 to 0, but the little fellows from Chester offered the most stubborn resistance and the greatest aggressive play seen on Franklin Field in many years. Several times the contest threatened to develop into a free-for-all, and two players, Dieter, Penn's left guard, and Sweeney, the visitors' halfback, were disqualified for slugging each other.

For the first three quarters the Chester team was outclassed by the Quakers, who scored three touchdowns and a field goal by Howard Perry. The fourth period saw a wonderful brace by the cadets, and by consistent plunging into the line they threatened the Quakers' goal several times, only to be stopped before they could run up any points.

DUNDEE BEATS MOORE.

NEW YORK, Nov. 7.—Johnny Dundee, of New York, outfought Pat Moore, of Philadelphia, in a ten-round bout here last night. Dundee weighed 131½ pounds and Moore 135½.

EIGHT BIKE TEAMS TIED.

BOSTON, Nov. 7.—Eight of the teams in the bicycle race were tied at 282 miles and 9 laps early today. The Bowker brothers, of Lynn, lost a lap shortly after the race started at 7 o'clock.

CURRY AN AVIATOR.

Irby R. Curry, an all-Southern quarterback last season with the Vanderbilt eleven, has passed his examinations in the aviation service at Rantoul, Ill., and has been ordered to leave for France.

JUNIORS WIN AGAIN.

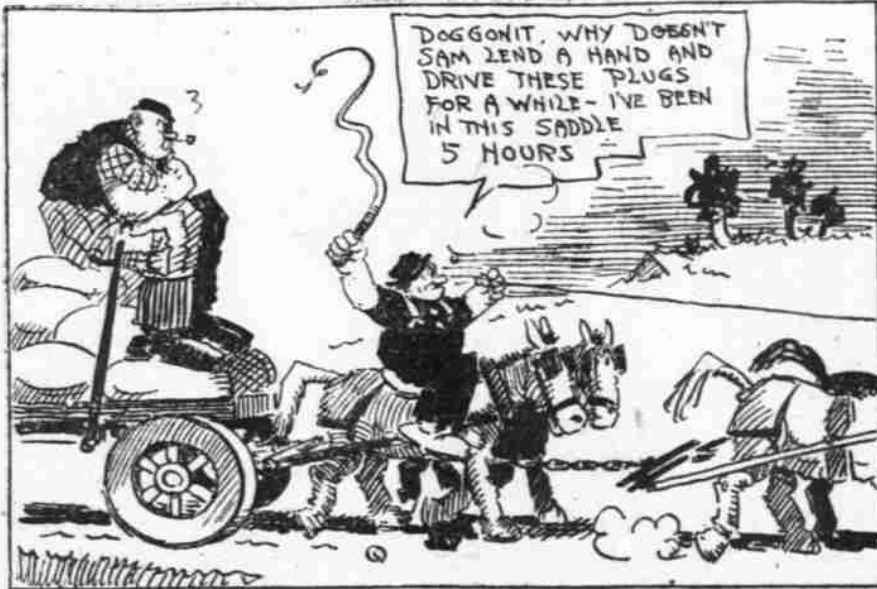

Georgetown Junior Preps annexed another victory yesterday, scoring 24 points to 6 for the Cochran School. Clissell was the factor in the Juniors' victory.

TO HAVE DOUBLEHEADER.

SOUTH BETHLEHEM, Pa., Nov. 7.—A doubleheader will be played at Taylor stadium November 17. After the Lehigh-Penn Military game, Rutgers will tackle the Allentown ambulance eleven.

MONUMENTAL CITY FANS ENTHUSE NOT OVER NEW LEAGUE

BALTIMORE, Nov. 7.—Fans in the Monumental City are not going into hysterics over the report from New York that Baltimore is to be one of the cities in the proposed Union League, consisting of four International League cities and four from the American Association. Baltimore wants a major league franchise, not a near-major league franchise, as this one in the Union League promises to be.

The magnates are really seeking to save something from the wreck. Neither the International League nor the American Association could survive another season such as they had last year. Toronto alone made money in the East and Indianapolis did not clear a fortune, though winning the American Association pennant.

The war has not hurt the big minors half as much as the method used by the major leagues. No more do the minors train players to be drafted by the majors. Instead, they seek players from the majors. It has been found too costly a proceeding to develop young players only to lose them in the annual draft.

The rush for good players by the major league clubs has swept all the drawing cards from the International League and the American Association. Until this situation is remedied, baseball will not prosper in the larger minor league circuits.

ROYALS CLEAN UP FROM BELMONTS IN DISTRICT LEAGUE

The Royals, anchored by the famous Kraus, topped off the Belmont segregation in three games in the District Duckpin League last night in fine style. Kraus led the attack, getting scores of 118, 110, and 128.

The Royals got 500, 535, and 568 in the three games. Kraus' high game was the best of the night on any alley in the District. But four of the twenty games rolled by men on the Royals went below the 100 mark.

As if to better the performance the Royals, in the big pin circuit, won three games from the senior team after giving a 36-pin handicap.

Naval Lodge failed to get going in the initial game with the Mt. Pleasant team in the Masonic League, but took the next two. Baker, for Naval, got 133 in the second game.

Columbus took two out of three from Potomac, the remainder of the Masonic program. Chiswell, of Columbus, rolled consistently all evening, getting 102, 105, and 116.

Dick's Pets, of the Columbia circuit, took two out of three from the Travelers. Harding's 121 and Gebeck's 122 were high scores.

ROBINSON AGAIN LEADS.

NEW YORK, Nov. 7.—Wilbert Robinson is to manage the Brooklyn Dodgers for another season. He signed his 1918 contract yesterday.

CALL DAVE ROBERTSON.

NORFOLK, Va., Nov. 7.—Dave Robertson, the Giants' right fielder, has been summoned under the selective draft for examination today here.

CENTRAL PILES UP SCORE ON TECH'S FOOTBALLERS

Central High School counts the 1917 title won today. The football team representing the Mt. Pleasant institution, running true to form in the stadium yesterday, disposed of Tech by a 33 to 0 score. The Metzlerized machine, working with precision, flattened out the manual trainers like the proverbial pancake. The backfield then massaged the beaten Tech lads for five touchdowns.

Quite the largest crowd that has seen a title game in years took a glimpse of Central's well-drilled team, which went at Tech with the foot of the first whistle and never let up until an extremely business-like job had been accomplished.

Those who looked for thrills in the annual battle found none. Central had a task to perform. The lads under Metzler knew their business, knew where it was to be done, and how it was to be accomplished, and straightforward went and did it.

The usual half-raising stunts performed on high school gridirons these past years were not apparent. Central players, through painstaking practice and the accumulation of that substance between the ears known as gray matter, gave Tech no reason for an alibi. None is needed and Central is already counting the title won despite the fact that Western and Business are to be encountered.

Rolls Up Big Total.

In two games played Central has amassed 51 points to 0 for the opposition. With Business and Western to be played Central can expect to pile up larger totals. For Business is a negligible quantity and Western, beaten by Tech, is not expected to prove more dangerous than the manual trainers.

Once before in the history of the fifteen years of battling has Central administered a crushing defeat to Tech. The Central eleven once hung up a 34-to-0 victory, but yesterday's triumph appears to have marked the final touch to the decline of the Tech forces on the gridiron. Central, in its ascendancy, believes it will enjoy the same successes that marked Tech's triumphs of years past when Tech was an infant prodigy.

In seven plays yesterday Central had scored. Tech received the kickoff. Failing to put in its own territory Tech elected to rush. On the fourth down Molster broke through, blocked Adams' attempt to punt, and on five plays, which employed a bewildering series of delayed backs and plunges, Roy Belknap shot one for the first score.

Scores Once Again.

Central's second touchdown came after Tech received and when Adams batted a short hurried kick out of bounds on the 45 line. Central drove down the field, and Tech was forced through for several first downs. Long shot through right tackle for the touchdown.

In the third period Central inaugurated a march of seventy yards for a touchdown. In thirteen plays Central worked the ball to the 20-yard line. Wilson dashed toward the line, veered to the right and crept around tackle to surge the third counter. Central scored another touchdown in the third period and a fourth in the final session through substantially the same style of football.

Mastered Throughout.

The Mount Pleasant lads were masters of the game throughout and consummated a win to the entire satisfaction of its large student body and alumni membership. No single Central player stood out prominently in the afternoon's battling. The eleven worked out system allowed of no stellar performances. All Centers players combined as a unit to make for the success of a team which in the main is the desired effect for successful team play.

Ways for a lack of judgment which might have happened to the best of eleven which were on the run no criticism could be offered on Tech's players who fought the best they

THREE TEAMS TIED FOR RUNNER-UP IN SCHOOLBOY SERIES

Central leads the High School Football League today with two victories and no defeats by virtue of its wins over Eastern and Technical.

A three-cornered tie exists between Technical, Western, and Eastern. The Western-Eastern engagement on Friday will break this combination provided there is no tie game.

The standing of the league follows:

Team	Won	Lost	Points
Central	2	0	1,000
Eastern	1	1	500
Western	1	1	500
Technical	1	1	500
Business	0	2	0

Half the high school series has been played. The scores for the series follow:

Western, 25; Business, 0.
Central, 48; Eastern, 0.
Technical, 20; Western, 7.
Eastern, 14; Business, 13.
Central, 33; Technical, 0.

Western and Eastern are scheduled to meet in the Central stadium Friday at 3:30 p. m. in the sixth game of the series. The Army and Navy Preps are scheduled to meet the Baltimore Poly lads in Baltimore on Saturday, while the St. Albans eleven is slated to play Alexandria on Saturday Field Saturday.

WASHINGTON BEAGLE CLUB HAS FIELD TRIALS

The second annual field trials of the Washington Beagle Club were most successful, both in point of entries and in quality of bounds competing.

The stakes were judged by E. R. MacIntyre, of Brookland, D. C. Energetic and painstaking in his work, he made no snap judgment, but followed the little beagles through the most tangled jungles.

The sensation of the trials was George Goodacre's Spot, a fifteen-inch beagle puppy, who won the derby, the fifteen-inch all age, and the handsome cup presented by H. K. Bliss for the best running beagle at the trials.

Results as follows:

Fifteen-inch derby—First, Goodacre Spot; second, Kramer's Crafty.
Fifteen-inch all age—First, Goodacre Spot; second, Beal's Dolly; third, Boothfield Sailor.
Thirteen-inch derby—First, Dryer's Little Mac; second, Goodacre Rose; third, Belden's Fannie.
Absolute winner of trials—Goodacre Spot.

CAMP MEADE SOLDIERS HAVE BIG PENTATHLON

A pentathlon in which the men of the 313th Regiment will compete against the 314th Regiment, will be held this afternoon on the postoffice field at Camp Meade. There will be twenty-five men on each of the regimental teams. The events will include a 50-yard relay, a 100-yard relay, a 25-yard medicine ball relay, a sack race and a tug-of-war.

Similar events held last week in the divisional pentathlon proved mighty popular and were something of a novelty. Lieutenant Harrington of the 314 has had his men preparing for the contest. Visitors will be welcomed to the games. No names to the entertainment will be needed.

PLAY FOR NAVY TITLE.

CAMBRIDGE, Mass., Nov. 7.—Thanks to Harvard's cancellation of its game with the Newport Naval Reserves, the latter will be able to meet the First Naval District eleven of Boston at the stadium on November 15 for the championship of the service eleven of the Northeastern District. Newport is being coached by Dr. Billy Bull, of Yale, and is captained by "Cupid" Black, last year's Yale leader. Boston's team is coached by Les Leary, assistant to Percy Haughton.

HILLTOPPERS LUCKY IN WINNING FROM FORDHAM

NEW YORK, Nov. 7.—Georgetown counts itself a lucky football team today as a result of its victory over the strong Fordham eleven here yesterday afternoon.

The Blue and Gray team was brought to a halt in the beginning of its machine-like drive over Fordham early in the first quarter and it was only by a desperate rally in the third and fourth periods that Georgetown staged off defeat.

The final score was 12 to 0, but only after Gilroy was badly battered and Gross, the plucky fullback, was taken from the field with a dangerous cut on his face. Maloney, at quarter, was another Georgetown man who felt the effects of the severe drubbing, and Zugar, at guard, was soundly trounced in the third quarter.

McQuade tried hard to repeat his sensational runs that won the game

for Georgetown against Virginia Polytechnic Institute a week ago, but there was absolutely nothing doing. He was thrown time and again for loss, and Gilroy, following his injury in the first quarter, was never able to make an effective getaway against the strong Maroon team.

McQuade Scores First.

McQuade scored the first touchdown in the first quarter after Georgetown battered its way down the field by line plunging and off-tackle sallies. Fordham tried hard to hold, but McQuade carried the ball to the 3-yard line and then went over. Dudesek failed to kick goal.

McQuade scored the second touchdown in the early part of the second period by dashing off tackle for a twenty-yard run. Maloney failed to kick goal.

Gross, who had to be removed to a hospital to have his face sewed up, 12.

played a game that surprised Coach Exendine. He was replaced by Dugan, who played consistently until the third period, when Harry Sullivan was sent in to take his place.

Georgetown Is Battered.

The entire Georgetown team is badly battered today as a result of the stubborn resistance offered by Fordham. Two of the home team threatened to score. In the third quarter it advanced the ball to the 6-yard line, but Georgetown rallied and held fast. Hespey, who played last at center, was battered and took time out.

Galligan, for Fordham, surprised the Georgetown forwards in the third period by breaking through for five long gains. It was chiefly through his efforts that Fordham managed to take the ball into the opposition's territory.

Betting in New York on the game was featured by wagers of 9 to 1 on Georgetown. A holiday crowd saw the contest.

"Fordham has a strong eleven," said Coach Exendine, after the game.

DILLON POSTS FORFEIT.

NEW YORK, Nov. 7.—Jack Dillon has posted his forfeit for his bout with Billy Miske here on November 12.

Ask for Moer-Lo when you thirst

Just give MOER-LO one good trial and you will pronounce it the most refreshing, invigorating, satisfying soft drink you ever tasted.

MOER-LO has sparkle and snap. It's distinctly different in flavor from any soft drink you ever tried, and decidedly the most pleasing. But don't take our word for it.

Try it! Prove it!

You be the judge and we will abide by your verdict. But the sooner you try MOER-LO, the quicker you will discover the one drink you will ask for when you thirst.

Absolutely pure and scientifically made of the finest hops and best materials, MOER-LO is the most wholesome, healthful, non-intoxicating beverage to be found anywhere.

MOER-LO is sold at all first-class soda fountains, restaurants, hotels—wherever good drinks are sold.

Order a case for your home and let your whole family try it.
